

Keeping you Connected

A note from Ken

Although we postponed our Annual Investor Event to support social-distancing guidelines, it has been lovely to connect with many of our clients over the phone.

As you may know, our staff team are all working remotely and continue to manage our daily business as per normal. Despite the distance, Leonie, Kimberley, Elana, John and myself are in frequent communications thanks to our cloud-based systems and phone access.

To further support government health guidelines, we are encouraging clients to call at any time on our office number, and if you wish, we can also organise a video conference call via Zoom or other platforms (Kimberley can support you with setting this up).

Take care, stay safe, and please don't hesitate to call if you have any questions.

Ken

Team member spotlight

For those of you who are yet to meet Elana Curtis, we thought we'd share a little about our newest team member.

Joining us a year ago, in April 2019, Elana adds further to our skilled team, with her tax, compliance and financial reporting experience.

Previously working in both the mining and tourism sectors as a Senior Accountant covering Tax and Financial Reporting, Elana now oversees our Compliance and Statutory Financial Reporting for our Turner Securities and TSL Capital brands.

In the day-to-day, Elana liaises with our external accountants and legal team, and ensures up to date compliance with the Australian Securities and Investments Commission (ASIC) and Financial Reporting to the Trustee.
